

## Jefferson County School System Goals 2023-2024

Many parents signed school parent compacts in September and October 2023 for the 2023-24 school year based on these goals.  
Thank you for pledging to work with us to achieve our goals.

### District Goals

- Decrease the achievement gap between the highest performing subgroup and all other subgroups in all grade levels and content areas by 3% of potential growth or the state assessments.
- Create a healthy and positive school culture and climate that uses collaborative problem-solving approaches to address conflict in schools and meets the needs of the whole child as measured by school climate ratings.
- Create an evaluation system that focuses on progress and outcomes that monitors program effectiveness in all special education environments.
- Increase teacher retention in an effort to improve teacher effectiveness and to increase potential leader pool.

### Louisville Academy Goals

- Improve scores on Georgia Milestones in all content areas by 3% (or more) of potential growth in the ranges of Proficient and Distinguished.
- Create a positive and restorative school climate as reflected by 3% potential growth on school climate surveys.
- Improve performance of SPED students on Georgia Milestones Alternative Assessments by 3% potential growth in Proficient and Distinguished

### Carver Elementary School Goals

- Increase student learning in Reading and Mathematics by 3% potential growth/gain as measured by i-Ready and Georgia Milestones.
- To create a consistent writing process that will increase student achievements on Write Score by 3% potential growth.
- Cultivate a learning environment that will use PBIS and Restorative Practices to improve climate and culture ratings of the school.

### Wrens Elementary School Goals

- There will be an increase of 3% potential growth of students scoring at the Proficient and Distinguished Level on the Georgia Milestones in ELA.
- There will be an increase of 3% potential growth of students scoring at the Proficient and Distinguished Level on the Georgia Milestones in Mathematics.
- Improve overall safety and climate of our school.
- Grow the overall professional capacity and efficacy of our staff.

### JCMS Goals

- SPED Achievement scores will grow 3% on IXL, Beacon, and Growth measures in ELA & Math
- Regular use of formative data to increase student achievement in ELA & Math by 3% potential growth.
- Implement STEAM to increase science scores by 3% potential growth.
- Reimplement the advisement program to address the social and emotional needs of students for increased academic success.

### JCHS Goals

- Implement the 4 major components of clarity with fidelity to ensure that students know what they are learning, why they are learning it, and how they have learned it.
- Show a 3% potential growth on school climate based on Student Health Survey
- Increase by at least 3%, the number of students performing at the proficient level on Georgia Milestones in all areas by improving pedagogical practices and skills.
