THE WARRIOR WAY

History of February

By: Allissa Whitesides

February comes from the Latin word februa, which means “to cleanse.” The month was named after the Roman Februalia, which was a month-long festival of purification and atonement that took place this time of year. Which February also has Valentine's Day which is The 8th-century Gelasian Sacramentary recorded the celebration of the Feast of Saint Valentine on February 14. The day became associated with romantic love in the 14th and 15th centuries when notions of courtly love flourished, apparently by association with the "lovebirds" of early spring.
