

The Jefferson County Retired Educators Association will meet March 8th at the Gatherings in downtown Louisville at 3:00 pm. The guest speaker will be Dr. Molly Howard, Superintendent of the Jefferson County School System. Dr. Howard will speak to the group about the new middle school project.

Retired educators are always welcome to attend the meetings and are encouraged to join the group.

The Jefferson County Retired Educators meet monthly. Membership dues are \$15 for local dues and \$24 for state dues. At our meetings we discuss the business of the organization and often have speakers that will address topics that are important to our members and our community. You will also find our members involved in a number of community service projects.

For more information on our organization, you can follow us on our facebook page at Jefferson County Retired Educators or attend a meeting. You may also contact us by email at jcretirededucators@gmail.com and we will do our best to answer your questions about our organization.

Thanks,
Anna Lush, PR and Legislative liasion
