The parents, students and staff will work jointly to share ideas to develop the school-parent compact. All parents are invited to provide input on the school-parent compact through a variety of means through surveys, Annual Title 1 Meetings and workshops. We will annually review and revise the compact based on the school's academic achievement goals and the student's needs. Wrens Elementary School, students participating in the Title I, Part A program, and their families, agree that this compact outlines how the parents, the entire school staff, and the students will share the responsibility for improved student academic achievement as well as describes how our school and parents will build and develop a partnership that will help children achieve the standards.

***Our Goals for Student Achievement
District goal(s)***

1. Decrease the achievement gap between the highest performing subgroup and all other subgroups in all grade levels and content areas by 3% of potential growth on the state assessments.
2. Create a healthy and positive school culture and climate that uses collaborative problem-solving approaches to address conflict in schools and meets the needs of the whole child as measured by school climate ratings.
3. Create an evaluation system that focuses on progress and outcomes that monitors program effectiveness in all special education environments.
4. Increase teacher retention in an effort to improve teacher effectiveness and to increase potential leader pool.

School goal(s) and focus areas(s)

1. There will be an increase of 3% potential growth of students scoring at the Proficient and Distinguished Level on the Georgia Milestones in ELA.
2. There will be an increase of 3% potential growth of students scoring at the Proficient and Distinguished Level on the Georgia Milestones in Mathematics.
3. To improve the overall safety and climate of our school for all students and staff.
4. Grow the overall professional capacity and efficacy of our staff.

Teachers, Parents, and Students—Together for Success

Teacher/School Responsibilities:

Provide parents with instructional resources to support academics in the home. The Media Center offers the use of computers to assist parents with websites that include various curriculum resources which include but not limited to:

- Test Taking Strategies
- Math and Reading Websites for parents to use at home with students
- The usage of Google Classroom.

Family Responsibilities

We, as parents, will:

1. Communicate with my child's teachers on a regular basis by:
 - Reading the weekly newsletters
 - Using Remind, agenda, email, and other means of communicating between home and school.
 - Make sure my child comes to school daily ready to learn.
 - Volunteering
 - Attending parent/teacher conferences and workshops regularly.
2. Provide a home environment that encourages my child to learn.
3. Become involved in my child's learning by visiting the school, assisting with homework and projects.
4. Read to or require my child to read 10-30 minutes each day.

Student Responsibilities

I, as a student will:

1. Challenge myself by becoming an independent learner. I can accomplish this by completing my homework, setting academic goals with my teacher, and having student/teacher conferences regularly.
2. Read nightly for 10 - 30 minutes to increase my reading fluency and comprehension.
3. Utilize school resources by participating in school sponsored events and clubs such as Literacy night, Georgia Milestones Night, 4-H or BETA club to help achieve my school's goals, as well as my own personal goals.
4. Check out books from the Media Center on my grade appropriate Lexile level.
5. Bring home the weekly newsletter.
